The High Performance Door

Energy efficiency also goes through the front door

The front door can be considered the heart of your home. This is why we have taken the design of this steel door to an unmatched level in terms of energy performance. A door that keeps the cold winter air outside, and the precious warm air inside to make your home comfortable all year round.

- ✓ Improved Comfort
- ✓ Energy Efficiency
- ✓ Superior Durability
- ✓ Increased Security
- ✓ Unrivalled Soundproofing

Coordinating your entry door with your garage door

Depending on the architecture of your house, your garage door and entry door represent from 20 to 45% of its façade width, so it's important that they complement each other. Now, the manufacturers Garaga and Novatech are collaborating to make it easy to coordinate the look of your doors!
